

Corrigendum – II

The Bidders are requested to take note of the following changes made in the RFP document, which are to be considered while submitting the RFP response. They shall be presumed to have done so and submitted the RFP response / bid accordingly.

- This Corrigendum shall be the part of the RFP documents / process.
- All items specified in this Corrigendum supersede relevant items to that effect as provided in the original RFP documents. All other specifications, terms and conditions of the original RFP document shall remain unchanged.
- Text with strikethrough means it is deleted.

Revised clauses:

#	RFP Clause No., Page No.	Original Clause	Revised Clause
1.	PQ - 4	<p>Similar Work: The sole/lead bidder (in case of a consortium) should have demonstrable experience in supply, installation, testing & commissioning (SITC) and operation of their own / any OEM’s COTS e-Challan application for at least 2 completed / ongoing projects in the last five years as on bid submission date (WO / go-live certificate must have been issued within last 5 years), in Municipal Corporation/ Central / State/ PWD / M.E.S. / Semi Govt. / Private Organizations / any international project executed or on going for any Government or private entity.</p> <p>i. The e-Challan application must have basic functionalities of detecting Red Light Violation (RLVD) along with Automatic Number Plate Recognition (ANPR) and generating e-Challan for same at Day – 0.</p> <p>ii. The cited project will only be considered if the e-</p>	<p>Similar Work: The sole/either bidder (in case of a consortium) should have demonstrable experience in either supply, installation, testing & commissioning (SITC) and operation of their own COTS e-Challan application / any OEM’s COTS e-Challan application for at least 2 completed / ongoing projects (each for either experience) in the last five years as on bid submission date (WO / go-live certificate must have been issued within last 5 years), in Municipal Corporation/ Central / State/ PWD / M.E.S. / Semi Govt. / Private Organizations / any international project executed or on going for any Government or private entity.</p> <p>i. The e-Challan application (which is being quoted in this bid) must have basic functionalities of detecting Red Light Violation (RLVD) along with Automatic Number Plate Recognition (ANPR) and generating e-</p>
